GATE RULES

It is the goal of the management that this show presents the Shetland Pony and Miniature Horse in the best light possible, be entertaining to those who have come to watch the event, and expediently move through the class schedule for the exhibitors. **Each exhibitor is responsible for monitoring the progress of classes and being prepared to enter the ring promptly when a class has been called, without prior public notice. The gate will remain open for two (2) minutes after each class has been called to enter the ring. Horses not in the arena when the gate has been closed will be eliminated from the class and entry fees will not be refunded. Due to the smaller number of entries, the show management has placed a 5 minute gate on all performance classes with zero entries. This will help exhibitors that have multiple horses to be able to change either horse and/or cart between classes. Please be aware of this new change and make sure you are familiar with the gate flow.**

Breaks will be incorporated into the show schedule for necessary tack changes and to set up equipment. Additional gate holds, not to exceed 2 minutes, requested by exhibitors may be called at the discretion of the show manager. **All gate holds must be requested at the show office at least five classes in advance of the requested hold.**

LUNCH & DINNER BREAKS

No specified lunch break has been scheduled. Show management and judge(s) will determine the progress of classes and announce a lunch break to occur as close to noon as possible. Classes will run according to the schedule unless stated otherwise in the class list. A dinner break will be called if necessary.
